

30th April 2020

Dear Student,

UKAT Sixth Form Preparation and Transition Support

We are writing to keep in touch with our Year 11 and prospective students, and hope that you and your loved ones are well, and that you are all looking forward to joining the UKAT Sixth Form family in September 2020. For those of you who will be leaving us to attend an alternative provision, we hope that these materials may support you also in preparing for your next steps.

Given that there will be a longer period than normal without academic work, all of our Sixth Form subjects have put together transition packs to introduce you to the UKAT Sixth Form, and level 3 studies which include subject specific information and activities which will support you in making the best possible start to your post-16 studies.

Whilst the work is not compulsory, a good many of you will want to be prepared as possible for the next stage of your education. Engaging with the activities may help you feel more confident and better equipped for the start of this new chapter!

To access these resources, you will need to set up an Edmodo account.

1. You will first need your subject codes for the Options you applied for (see table below)
2. Go to the Edmodo homepage and click 'Sign Up'
3. Select the middle panel that reads 'Student Account'
4. Fill out the registration form with one of the class/group codes (you can join your other groups once the account has been set up)
5. Select the 'Sign Up' for free button to complete the process

It is via this platform that you will be able to access study materials and subject specific support from our dedicated UKAT Sixth Form teachers. Should you have any issues with the sign-up process, please do not hesitate to contact us at josephwitt@universityofkentacademiestrust.org.uk.

We look forward to working with you as part of the UKAT Sixth Form and hope this will be useful.

In addition, we have created a 'UKAT Sixth Form 30-day challenge' and we would love for you to take part in it. Each day for 30 days there will be either a Sixth Form preparation task

or a Wellbeing/Mindful challenge. It would be great if you could join in and keep in contact with us via our social media to let us know how you are getting on. There will be a **£30 Amazon voucher** for the best vlog (no more than 60 seconds) sent to us from one of our participants at the end of the challenge!

I would like to take this opportunity once again to reassure you that our conditional offers still stand, and should you have any queries with regards to the application process to contact us.

Yours sincerely,

Emma Perkin
Director of UKAT Sixth Form
