A University of Kent Academies Trust School

Monday 20th March 2021

Dear Parents/Carers

I hope this letter find you and your family well. This term has been unusual, beginning with students working remotely from home and finishing with students working on site. As usual the students have continued to adjust to these changes and it has been wonderful to have them back.

We are offering support sessions during the Easter holidays. A permission form and schedule are attached to this letter. Should your child wish to attend these sessions, please complete the form and return to the school office by 1st April. The majority of these sessions will take place in our new building, as much of the site continues to experience improvement works. Some sessions will be held via Teams and returning the forms is essential in order for your child to receive their 'invite' to these sessions.

During Term 5 your child will be sitting their final assessments of Year 11. These will take place for two weeks, starting from 10th May. These end of year assessments will form part of our teacher assessed grading process. Before the Easter break your child will know which topics they need to revise for these assessments. A timetable for these assessments will be issued to your child in due course.

As always please contact me shillitoe@universityofkentacademiestrust.org.uk if I can be of any assistance.

Best wishes

Samantha Shillitoe
