October 2020

Dear Parents/Carers

**Green Week**

Monday 2<sup>nd</sup> to Friday 6<sup>th</sup> November will be Green Week at Chatham Grammar. The theme of the week is ‘the need for trees’.

Last year the Green Team conducted a whole school survey and have also participated in and air monitoring study with Medway Council Environmental Protection Team. In response to the outcomes of both of these projects the Green Team have successfully applied for and received 30 trees from the Woodland Trust.

During the course of Green Week we will be raising awareness of the social, economic and environmental benefits of trees. On Friday the 6<sup>th</sup> November there will be a non-school uniform day – please wear something green. We would ask for a donation of £1 from students wishing to participate. Half of the funds raised will be used for ecological/environmental projects around the school and half will be donated to the Woodland Trust. If you would like to find out more about Woodland trust or make an additional donation please visit their website; <https://www.woodlandtrust.org.uk/support-us/give/donations/>
