Dear Parents/Carers,

End of Year Assessments

Your child will be sitting end of year assessments between 13th - 24th June. These assessments take place annually for all year groups and will be in class, with their usual teacher in timed conditions. These assessments are more substantial than the Term 2 and Term 4 assessments as they are a culmination of all learning covered throughout this year. Your child's grades will be shared in their end of year report.

To support your child with these assessments their Personal Tutor will share some revision strategies this week to develop good revision habits. Your child's class teacher will also provide advice and guidance on the subject content to revise.

This can be a difficult time for parents in knowing how to support their child during this time. The link below has some advice and guidance for parents/carers:

<https://www.bbc.co.uk/bitesize/articles/znsmyxc>

Please contact me if you have any further questions.

Yours sincerely,

Samantha Shillitoe

Assistant Principal
