Dear Parent/Carer,

Kahlo Charity Day - Wednesday 31st January

Students in Kahlo House are preparing a day of fundraising events for Kahlo Charity Day, which is will on Wednesday 31st January.

As part of this day of fundraising students will have the opportunity to purchase items from a bake sale, raffles, enter competitions and are able to participate in a Mexican – themed cooking class making burritos at the end of the academy day.

For students who wish to take part in the Mexican cooking class, there will be a £5 charge which is to cover all the cost of ingredients as well as a small donation towards out chosen charity. This payment can be made via ParentPay online and will close at 4pm Tuesday 30th January. All proceeds raised on the charity day will be donated to Gillingham Street Angels, a charity which we will also continue fundraising for throughout this academic year.

Gillingham Street Angels are a charity which first was set up in 2018 with the mission to help eradicate homelessness within the local community. The charity's popularity quickly grew amongst the Medway community and as of December 2023 have helped to support over 120,000 members of the local community through the various services they offer. Some of these services include a local food bank, wellbeing support, hot food café and a charity shop.

To help support some of the services above students can also donate any non-perishable goods, clothes, unwanted gifts, and toys. Any donations should be taken to the PE Office. Please note that students should be prepared to attend all their lessons as usual.

Yours sincerely,

Jess Lee
Head of Kahlo House
