Dear Parents/Carers,

### **Planned industrial action on the Southeastern network**

No doubt you are already aware that there is planned industrial action by RMT on the Southeastern rail network on the following dates:

Tuesday 21<sup>st</sup> June  
Thursday 23<sup>rd</sup> June  
Saturday 25<sup>th</sup> June

It is expected that there will be significant disruption as most stations will be closed. The link below gives information on service availability during these dates, there may also be some disruption on the days before and after Tuesday and Thursday next week.

<https://www.southeasternrailway.co.uk/travel-information/live-travel-information/industrial-action>

We have sent the same information to our Year 11 and 13 students, as this is a cause for concern for them as they are still sitting their GCSE and A Level examinations during these dates.

We strongly suggest that you try and investigate alternative arrangements. For instance, using other forms of public transport, staying with family or friends locally and car sharing where possible.

Yours sincerely,

Wendy Walters  
Principal
