Dear Parent/Carer

Re: Time capsule project

After a challenging year, it is vital that children and young people are given an opportunity to reflect on what they have been through. Place2Be has launched a 2021 school time capsule project, that we are excited to be taking part in. The time capsule project will allow students to reflect on and capture their collective experiences of life during the pandemic.

During the week beginning the 28th of June, all Key Stage 3 students will be given the opportunity to create an entry during their Art carousel lessons, selecting from a range of options, including Art and Photography, Music, Creative writing and media. Year 10 students will create their entries during their personal tutoring time.

We would also love to receive entries from sixth form students and members of our wider community. If you would like to submit a family entry to reflect on your experiences of the pandemic, please bring physical pieces to the school office or email digital copies to Miss Furnell (please indicate whether you are happy for your entry to be shared on our social media platforms).

Selected entries will be included in the 2021 schools time capsule, but all entries will also be entered into our own Chatham Grammar time capsule, both of which will be opened in 25 years' time.

If you would like more information, please visit <https://www.place2be.org.uk/our-services/services-for-schools/mental-health-resources-for-schools/2021-schools-time-capsule/> or contact Miss Furnell

Yours sincerely

Miss Furnell
Subject leader for the Creative Arts

Some of our students may choose to create a photographic or video entry; please indicate whether you are happy for your child to be filmed and photographed and if these can be shared on our social media platforms

I give consent for my child to be filmed and/or photographed and for these to be shared on social media
