Dear Parents and Carers,

**Re: iPad Scheme Assistance**

We hope this letter finds you well. As many of you will have seen in the national news the Coronavirus is having far reaching consequences for us all; including increased financial pressure being placed on some families.

As a part of your community, UKAT is very aware that this may be affecting some of our families at this time. To that end we are writing to you in order to offer the possibility of a three month payment holiday on our iPad finance scheme.

This offer is available to all parents and carers and you can access this by clicking on the link below and completing the online form:

If you need any further assistance then please contact the Finance Team by emailing them at the following email address:

**[Finance@universityofkentacadmiestrust.org.uk](mailto:Finance@universityofkentacadmiestrust.org.uk)**

We hope that this gesture is able to support those families who wish to access it. Should you have any further questions about this scheme then please contact our Finance Team, who will be happy to support you and answer any questions you might have.

Yours faithfully

**Simon Richter**  
Vice Principal
