A University of Kent Academies Trust School

Dear Parents and Carers,

University of Kent Visit: Year 8 Conservation Enrichment Day

I am writing to inform you that once again this year, we can offer an exciting opportunity to all Year 8 students at Chatham Grammar to visit the University of Kent Medway Campus to participate in the Year 8 Conservation Enrichment Project Day.

Students will be collaborating in a range of workshops throughout the day designed to develop their creative, analytical, presentation and critical thinking skills. These will be delivered by ambassadors and lecturers at the University in partnership with Chatham Grammar.

Students will need to register in the Lime Lounge at the normal time of 8.45am in full academy uniform on their designated day. Please see the schedule below for allocated days. Please ensure that your child brings with them any medication which they would normally carry (e.g., asthma pump, EpiPen).

Students will need to bring a packed lunch and a water bottle with them. If your child usually receives a free school meal, a packed lunch will be provided once at the University Campus. Students will be travelling by coach to the campus and returning to Chatham Grammar for the end of the academy day. Students will be dismissed from the academy at the usual time.

This is a free of charge trip and no additional consent is required as this falls under the cover given with the lifetime consent form already completed.

Allocation of days:

Friday 1 st July 2022	Year 8 J Band
Wednesday 6 th July 2022	Year 8 K Band

Your child should already be aware of the band that they are part of, and this can also be found on a copy of their academy timetable.

Yours sincerely,

Mark Cawthorne
Assistant Principal
