Dear Parents/Carers,

Arts Day

Arts education is critical in building confidence, developing creativity and empowering our students as well as creating an emotional outlet which is even more vital following the uncertainty caused by the pandemic. We will be holding an Arts day on 15th July; with all students engaged in a range of exciting arts-based activities and workshops.

Year 10 students will engage in drama and textile-based activities to produce a modern-day interpretation of their English literature exam text 'An Inspector calls'. They will investigate the work of contemporary choreographer Matthew Bourne and director Baz Luhrmann to inspire their own unique interpretations. They will focus on script writing, costume, stage design and will have the opportunity to perform to their peers.

All students will have the opportunity to attend a music concert/disco after lessons from 2:15-4:00pm. The students will experience live music and maybe even learn how to play a new instrument. The music event is supported by Medway Youth Service, who will be available to inform students about local services, including mental health support.

Please complete the reply slip below and return to Miss Furnell in H15 by Monday 15th July. Students that do not return the reply slip by this deadline will be unable to attend the concert.

Please also indicate whether your child will be collected at the end of the event or whether they have permission to make their own way home.

Yours sincerely,

Miss Furnell
Subject Leader of the Creative Arts and Design Technology
