Dear Parents/Carers,

Arts Day

Arts education is critical in building confidence, developing creativity and empowering our students as well as creating an emotional outlet which is even more vital following the uncertainty caused by the pandemic. We will be holding an Arts day on 15th July; with all students engaged in a range of exciting arts-based activities and workshops.

Year 7 students will engage in art textiles and creative writing workshops. They will make and decorate textile windsocks and engage in fun creative writing activities to allow them to develop their self-expression through both visual form and the written word.

All students will have the opportunity to attend a music concert/disco at the end of the day from 2:15-4:00pm. The students will experience live music and maybe even learn how to play a new instrument. The music event is supported by Medway Youth Service, who will be available to inform students about local services, including mental health support.

Please complete the reply slip below and return to Miss Furnell in H15 by Monday 15th July. Students that do not return the reply slip by this deadline will be unable to attend the concert.

Please also indicate whether your child will be collected at the end of the event or whether they have permission to make their own way home.

Yours sincerely,

Miss Furnell
Subject Leader of the Creative Arts and Design Technology
